

## Pre installation information for VPID 2024

- Refer to Visio P&ID Process Designer [System Requirements guide](#).
- Visio P&ID Process Designer 2024 is a Software that requires Microsoft Visio® Standard or Professional (2021 or 2019 or 2016), Visio Plan 2 or Visio Online Plan 2 ([sold separately](#)) to operate.
- To Register, download and install full-featured software for Visio P&ID Process Designer 2024:
  - Ensure that you have Administrator access on the system for installation.
  - Install the 64-bit version of the desired Microsoft Visio® Standard or Professional (2021 or 2019 or 2016) or Visio Online Plan 2.
  - Ensure that there is minimum 1GB of space on your C drive (files will be extracted on C drive).
  - Once Microsoft Visio is installed, open and close it once before installing Visio P&ID Process Designer 2024.
- Close all active Microsoft® office applications (including Visio) before installing Visio P&ID Process Designer 2024.
- Click on the trial version of Visio P&ID Process Designer 2024 download link to initiate your download and then run the installation.
- In the installation window, select “Visio P&ID Process Designer 2024 setup” and proceed with the installation.
- **Note!** Please refer to the “Upgrade Installation Guide” for step-by-step procedure if you are upgrading your Visio P&ID Process Designer from older versions of VPID 2016 or VPID 2016.2 or VPID 2020 or VPID 2021 to Visio P&ID Process Designer 2024.
- Disconnect all external devices like Docking Stations while generating the license code and while activating the license code. You can start using your external devices once you successfully activated the license code.
- Make sure to turn off the antivirus and firewalls (if any) while installing the Visio P&ID Process Designer 2024.
- We recommend before proceeding with the Visio P&ID Process Designer 2024 installation, first launch the installed Microsoft Visio® application for a seamless integration with our solution.
- Restart your computer before launching the VPID 2024 trial.
